To Whom It May Concern:

GAP Geysers will warrant its geysers against manufacturers defects, as per the standard warranty conditions applied to its products, if installed with an AC PTC Xtend element. This warranty is related to products manufactured by GAP Geysers only.

The PTC Xtend element, as well as any necessary regulations remains the responsibility of PTC Xtend.

Yours Sincerely

A handwritten signature in black ink, appearing to read 'John Davis', written over a horizontal line.
